ITALIAN CRAFTSMEN

Every piece is hand finished by skilled craftsmen in Italy to achieve the highest quality and to create a style and details unique to Catalano.

CATAglaze

A total bacteria-proof treatment. By minimizing surface porosity, Catalano's lifetime glaze facilitates water flow and cleaning and ensures that ceramic products have a long-lasting smooth finish.

Cataglaze is a revolutionary high performance treatment that improves surface hygiene and ensures superior long-lasting brightness, when compared to traditionally treated ceramics.

Cataglaze

Traditional Glaze

PERFECT EDGES, PLANAR SURFACES, IMPERFECTION-FREE GLAZE. These are the keywords of Catalano's quality and, for over fifty years, have been driving its constant challenge to perfection. Research laboratories, mechanical and functional testing, quality controls, etc., are just some of the required steps that each Catalano product must take before entering in the market.

STAR

The STAR project arose from Catalano's experimentation with rigorous shapes and perfectly flat surfaces that characterize many of our fixtures, but with significant reduction in the thickness of the ceramic material (only 18 mm at the edge). The collection includes 3 washbasins: 105, 80 and 60 cm versions which can be installed in a wall-mounted, semi-recessed or pedestal configuration, or on a cabinet.

SFERA

SFERA

Sfera range is marked by simple and soft morphologic solutions, able to express the achieved balance between simplicity and essentiality in ceramic items. Products are enriched by peculiar reflections that only the best ceramics can guarantee. The Sfera 100 (110SF) and Sfera 80 (180SN) wash basins are enhanced by an extreme thinness.

Limitation of Liability: Trumbull Industries Inc.'s liability for any and all claims of any kind, including negligence, for any loss or damage arising out of, connected with or resulting from Trumbull Industries Inc.'s performance or breach of the terms hereof shall, in the aggregate, not exceed the purchase price of the particular product. HAD BEEN ADVISED OF, KNEW, OR SHOULD HAVE KNOWN OF THE POSSIBILITY OF SUCH DAMAGES.

Severability: If any portion or provision of these terms applicable to any situation or circumstances is held invalid, the remainder of these terms or the remainder of such provision (as the case may be), and the application thereof to other situations or circumstances shall not be affected thereby.

Waiver: Waiver by Trumbull Industries Inc. of any breach of these provisions shall not be construed as a waiver of any other breach.

Assignment: None of the BUYER's rights under these terms shall be assigned or otherwise transferred by the BUYER to any other person, whether by operation of law or otherwise, without Trumbull Industries Inc.'s prior written approval.

Law and Arbitration: These terms are governed by the laws of the State of Ohio. Any controversy or claim arising out of or relating to these terms or the breach hereof shall be finally settled by arbitration in Trumbull County, Ohio in accordance with the prevailing commercial rules of the American Arbitration Association, and the parties shall have the right to take depositions and obtain discovery regarding the subject matter of the arbitration as if the subject matter of the arbitration were pending in a civil action before a Superior Court of the State of Ohio.
